

# Battleships: Level 2

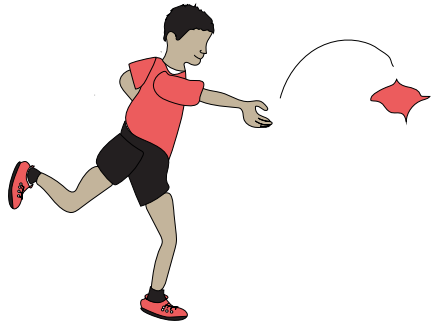

## PE Home Learning

Can you play by the rules and respect your opponent?

### Time to Learn:

- With a partner, each player places three targets (battleships) in front of them. Place an additional battleship known as the 'ultimate battleship' in the middle.
- Players take turns to throw an object towards their opponent's battleships.
- Each time a battleship is hit, it is removed. If players hit the ultimate battleship they can add back one of their battleships that has been hit.
- The winner is the first player to hit all of their partner's battleships.

### Play on your own!

How many attempts does it take you to hit all three targets?

### Play for three minutes!

The player with the most battleships at the end of the game is the winner.

### Have a competition!

Create a league table and play against different family members.

### Top Tips

#### Throwing Underarm

- Step forwards with one foot, releasing the ball from low to high using your opposite hand.

### Let's Reflect

What did you learn after each throw to adapt for the next?

How did you keep focused?
